WELCOME

Welcome to the
“Financial Freedom & Abundance” Membership Experience
which is the follow-up of the fundamental base of your
Fearless Membership.

Just like in your Fearless Membership Experience,
I will be taking you through this complete step-by-step
plan so you can ‘experience’ it for yourself.

Step-by-step week-plan:

To help you focus to putting 1 single training into your
reality without overwhelm or procrastination, I chose to
translate this plan into a weekly-plan.

This way you can focus a week at a time by just putting
1 single training into reality.

It is with purpose your next training will be made avail-

HOW DOES THIS WEEKLY MEMBERSHIP WORK

CHECK THE BOXES

I understand that every week a new training and corresponding checklist will become available to me in the membership home navigation menu.

I understand that in order to be as productive as possible in following these weekly training sessions, I will set my smartphone alarm to repeat 'weekly'.

I won't forget to set the alert as well!

This will prevent me of getting disappointed when the next video isn't available yet. At the same time it will keep me focused and reminded to put every single step into experience.

(If you don't know how to set your alarm clock to weekly and set a reminder alert, I have included a print-screen on the right. The example shows how it is done on an I-phone, if you use another device, you will always find 'how to' on Google or YouTube).

I have set my weekly alarm & alert and checked the box of this paragraph.

I am ready for the first training 1.1
