FROM VICTIM (1), TO INDEPENDENT FULFILLMENT (2)  
UNTIL FINANCIAL FREEDOM & ABUNDANCE (3)

## VIDEO 1.1. HOW TO DIS-COVER YOUR AUTHENTIC PURPOSE

### CHECK THE BOXES

I have watched video 1.1 How to dis-cover your authentic purpose.

I will print and save all pages of this checklist, because I will need them later on in the experience.

I understand a 'getting mentality' and being busy with being busy to fill up `emptiness`, keeps us trapped in our scarcity-victim/ resisting reality.

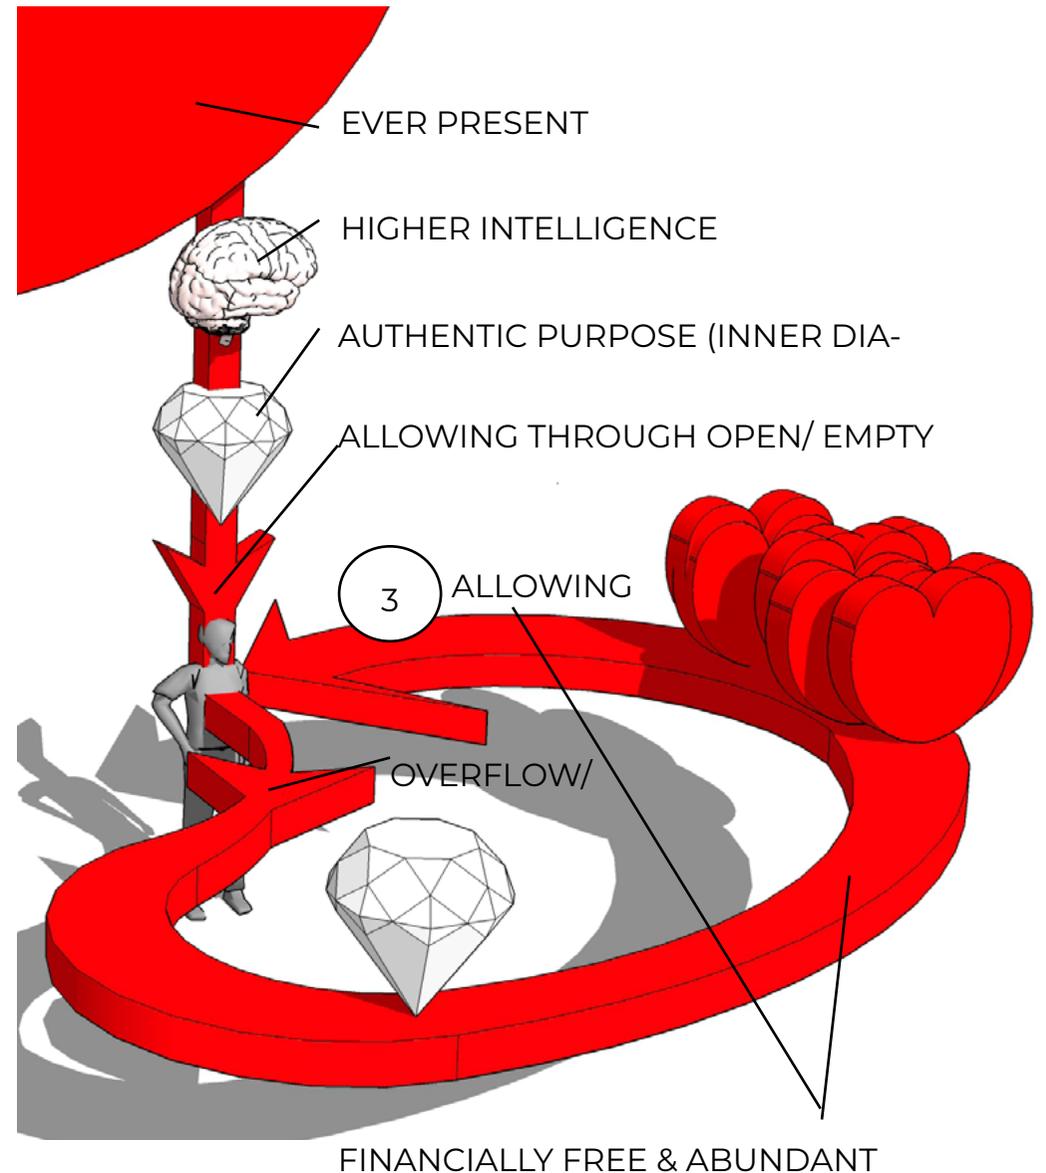

I understand by giving or from experiencing our ever present well-being together with our dis-covered authentic purpose, initiates a natural financial free and abundant flow.

I understand when I find my authentic purpose and know how to unleash it in abundance, it will create a financially free and abundant flow naturally.

I understand by plugging in to the ever present well-being, my authentic purpose and my higher intelligence are able to create financial freedom & abundance naturally. I need to 'relax' & 'allow' to open or empty my gateway without resistance or being busy with being busy.

I understand how to find answers to the questions on the following page to find my authentic natural purpose.

I will find a place where I can not be disturbed, without any distraction and will open/empty my gateway, to answer the questions without 'thinking'.

## FILL OUT THE QUESTIONS & CHECK THE BOXES

I will take my time to let answers flow through my open gateway and keep adding them when they pop up. Even when this might be in the middle of the night or in the following days.

I will keep page 8 and 9 and my personal notes (next page) next to my bed and will write down answers or ideas which might come to me during the night.

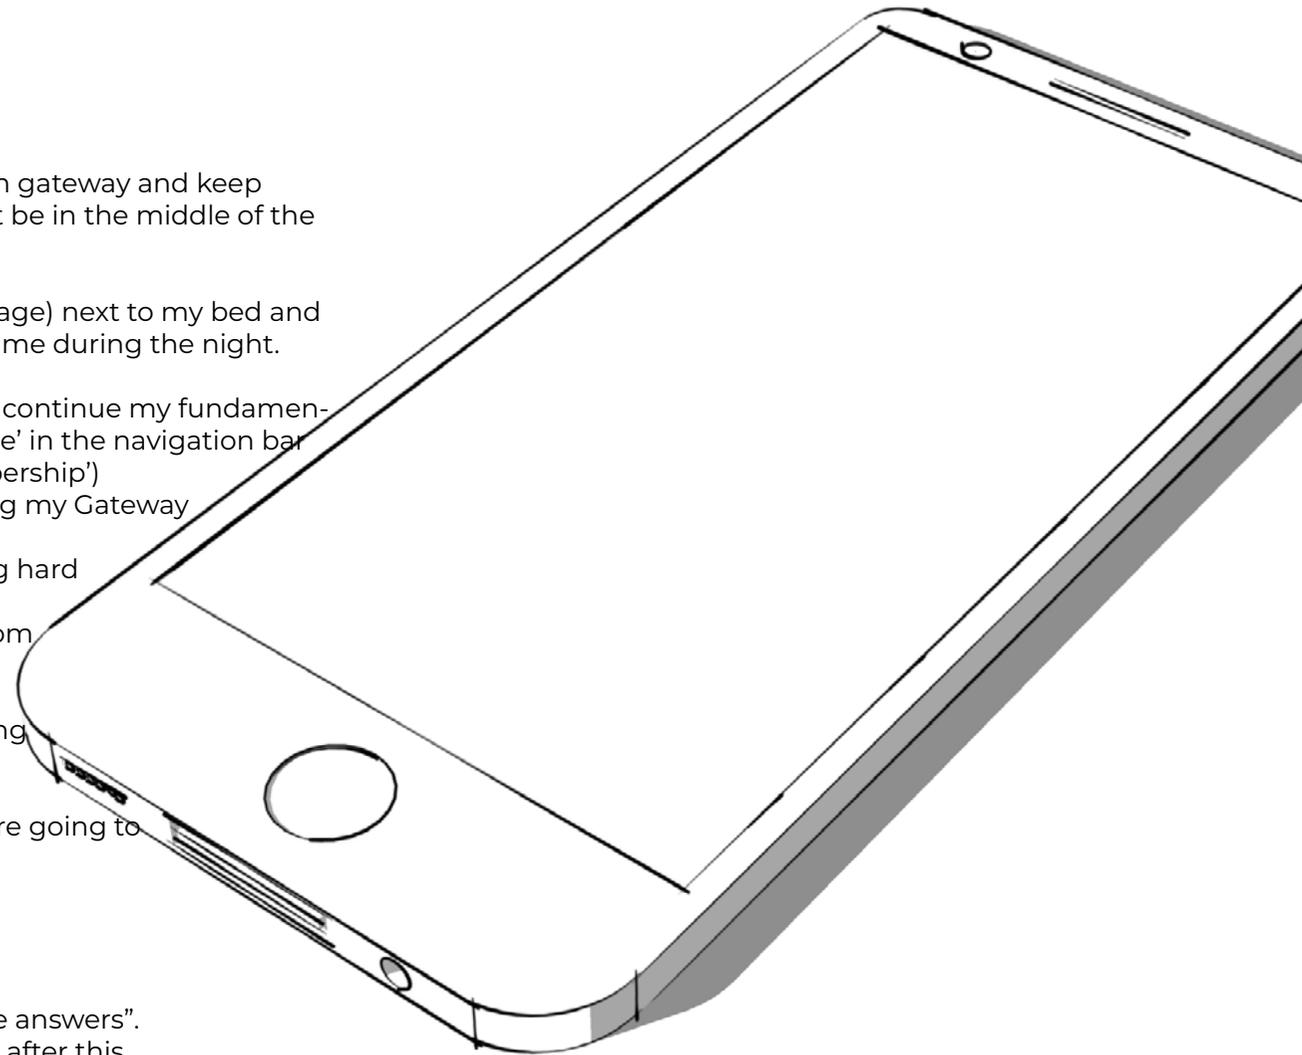

I have set a new 'daily' smartphone alarm with alert, to continue my fundamental experience habit. (I find my 'fundamental experience' in the navigation bar above each video under the dropdown: 'fearless membership')  
I continue building this habit to open and keep opening my Gateway through which financial freedom and abundance will be created naturally. Because I understand working hard and restlessly against my nature will never bring me fulfillment, joy or financial freedom and abundance from the very inside out.

I will exercise the fundamental experience each morning before meeting anyone.

I will set a new daily alarm to go off every evening before going to sleep and exercise the fundamental experience to keep my gateway open throughout the night.

I have put all content in reality and checked the boxes.

I am ready for the next training 1.2 "What to do with the answers". This video will be automatically available exactly 7 days after this training became available. (To match my weekly smartphone alert).
